

The Garden Club
of
Woodbridge

Join Us for Earth Day: April 27, 2024

- *Purchase native plants*
- *Learn how to feed the Pollinators and make a Wildflower Seed Bomb*

*Sign up to get on Woodbridge's
Pollinator Pathway!*

Founded in 1933, the **Garden Club of Woodbridge** promotes interest, education, and involvement in individual and civic gardening activities of all kinds, including horticulture, floriculture, arrangement of flowers, bird life, and conservation activities. New members are welcome. For information about joining, please see Membership page (gardenclubofwoodbridgect.org) and contact membership.gcwoodbridgect@gmail.com.
